The 17th Annual Hispanic Business Award Banquet and Scholarship Ceremony honors successful individuals who have proven their commitment to upholding the integrity of the Hispanic Community. These individuals advocate for economic development, higher education and promote initiatives that continue to empower the Latino community and beyond. Our mission is to represent and advocate for Hispanic Businesses in New York City in a cohesive and collective manner. The pride of our banquet has always been the scholarships awarded to students in need of financial assistance. Over the past 17 years the NYCHCC has awarded more than 180k to students who attend an accredited university in the New York City area.

The sponsorship offers opportunities for businesses to align themselves with the only citywide Hispanic Chamber. We offer benefits such as NYCHCC membership, advertisement, and opportunities to give back to the next generation of Hispanic leaders through a scholarship award. Thank you in advance for your partnership and support.
